

South Central Christian Men's Fellowship Minutes
August 25, 2014
West Plains Christian Church

Richard Blake (Christian Prison Ministry of Missouri) gave the talk. They currently go to 8 prisons; they are hoping to go to all 23.

Adam opened the meeting portion with prayer.

There was a total of 71 in attendance; Willow Springs took the banner with 13 members present.

Brian Ingalls gave the financial report.

We have 3 applicants for Keith Cunningham scholarships - Mark Bujarski, Kevin Moore, and Chase Marcus. Motion by Terry Schilling to give \$700 to each applicant, seconded by Ron Antle. Motion approved.

Ron gave report on the pavilion progress, and mentioned that they have a need for about \$2000 to cover insurance and taxes.

Don Elliot gave a report on the meeting in Thayer with Greg Garcia about the proposed church plant. We were reminded that a new church is not put there to draw people from the church they are currently attending – it is put there for the unchurched.

Don Elliot then led us in prayer for the church plant.

Licking and Summersville are switching dates. An update will be made on the web page.

Brother Kendall closed in prayer.
